

REMARKS

Claims 3, 8, 9, 10, 11, 12, 13, 14, 16, 17 and 25 are in the application and are presented for consideration. Claims 1 , 2 , 4 – 7, 15, and 18 – 24 have been canceled. By this amendment, Applicant has presented claims 8, 16 and 25 in independent form. All claims now presented are believed to be allowable as they depend on a claim which has been indicated to be allowable. No new issues have been presented.

Claim 3 has been rejected under 35 U.S.C. 112, second paragraph, as being indefinite. Applicant has now made changes to claim 3 to address the issues which have been raised. It is Applicant's position that the claim as presented is clear, definite and in full conformance with the requirements of the statute.

Claim 12 has been rejected under 35 U.S.C. 112, second paragraph, as being indefinite. Applicant has now made changes to claim 12 to address the issues which have been raised. It is Applicant's position that the claim as presented is clear, definite and in full conformance with the requirements of the statute.

As only claims which are believed to be allowable are now presented, it is Applicant's position that the application is in condition for allowance. It is requested that the claims as presented

be allowed.

Further and favorable action on the merits is respectfully requested.

Respectfully submitted
for Applicant,

By: _____
